

Winners of the 2008 VicUrban Recycled Art Competition, Iramoo Primary School (Senior Primary School Category).

## We are the proud sponsors of the 2009 VicUrban Recycled Art Competition

VicUrban, the State Government's sustainable land development agency, is proud to continue its association with the Weerama Festival by sponsoring the 2009 VicUrban Recycled Art Competition.

Through creating nature-based artworks from recycled materials, primary and secondary school students will learn how we can all look after and improve Werribee's natural environment. This same interest in sustainability will guide VicUrban's planning for the Riverwalk residential development, to be located next to the Werribee River.

The Artwork will be displayed at the Werribee Plaza as part of the Weerama Festival from Tuesday, 24th March to Sunday, 29th March, 2009. Winners will be announced at the official launch at the Werribee Plaza at 7.00pm on Wednesday 25th March, 2009.
